I am registering the following minors for the "Fall Camp 2017" at ImagineU. This camp is themed "Engineering" where children will explore engineering through inventions and structures with a touch of robotics.

I understand that these is a 3-day event, run on consecutive days. The event begins at 8:00am each of those days, and children must be dropped off between 7:30am and 8:00am and must be signed in correctly.

I further understand that children registered for ½ day sessions must be picked up no later than 1:30pm, and children registered for full day sessions must be picked up by 5:30pm each day. If we are unable to contact you or the Emergency Contact and pick-up cannot be done by the times listed above, we will contact Child Protective Services (CPS). Once we have contacted CPS, we will be unable to release the child to you until Law Enforcement arrives.

By initialing in the "Photo" column below I give ImagineU Museum free permission to use images and video taken at this event that include my named child for promotional purposes.

Camp is open to children ages 5 and up. The children MUST be aged 5 or older by the first day of camp. No exceptions.

Camp dates: Monday, 11/20/2017 through Wednesday, 11/22/2017

	Half Day		Full Day		Half Day includes 1 snack and lunch Full Day includes 2 snacks and lunch
